

Lakeside Resort is a wonderful lodge resort overlooking beautiful Center Hill Lake. Randy Shelton, marketing and sales manager, knows the meaning of hospitality and customer service - exhibited by his very polite nature and wonderful smile. Lakeside Resort prides itself in offering a very special environment for weddings, family reunions, church groups, retreats, and business meetings. They have the facilities to accommodate any type of gathering. This is an ideal place for a wedding with the amazing views and their lakeview amphitheater that works as a remarkable backdrop. Lakeside offers a special greeting area, perfect for that extraordinary reception with breathtaking views from the veranda. Catering can be arranged with Chef Bob Sotus. The bridal party and guests can overnight at the Lodge which offers 26 units with kitchenettes - 18 having lake views. There is also a Presidential Suite which would be just the thing for the bride and groom. It is a very spacious and beautiful suite - a great place to relax, enjoy the nature and beauty of Center Hill Lake. Lakeside Resort is also accessible to the many marinas. If you are in for a little adventure or some day time water activity, JBEEZ is located just down the road. They are Center Hill Lake's premier water recreation outfitter and can deliver a Jet Ski or pontoon boat to Lakeside Resort's complimentary boat slips so that you can experience the fun and beauty of the lake. Lakeside Resort offers a heated swimming pool overlooking the lake. It

is open from spring to late fall - perfect for a pool party, family gathering, or just families looking to vacation together. Lakeside Resort continues to add to their sprawling facility and prides itself in offering new, modern accommodations. They will gladly assist you in planning your trip, vacation, wedding or gathering with customer service in mind. There is a long standing tradition with one of the country's top public universities, Tennessee Technology University (TTU) located in Cookeville, as TTU used to hold their Biology Research Center here. Today TTU uses the Lakeside Resort Education Facility for their Professional Resort and Quantity Food Management Course. This is an eighteen week program which is taught on-site counting as continuing education units with a certification. When planning a special church outing, family reunion, wedding, corporate or business function, think of Lakeside Resort. Talk to Randy Shelton and have him assist you in making the perfect arrangements for your event or gathering with package prices. They make it easy and specialize in serving you.

Lakeside Resort is easily accessible from I-40 (about 7 miles) on Hwy. 56 and is close to many of the marinas on the lake. Visit Lakeside Resort online at www.LakesideResort.com, call 1-888-839-4799, or in person and experience wonderful southern hospitality.
